# WHO IS NICK BLACK?

Pop/Soul singer-songwriter and multi-instrumentalist Nick Black has created a sound that's both modern and unique, yet familiar and nostalgic. He's bringing his new album **TWITCH #1**, which was created entirely in front of his Twitch live stream crowd as a part of his "30 Songs In 30 Days" challenge, to a venue near you.

Nick and his band have sold out venues from the east to the west coast, are a featured artist at 2021 NAMM, and still find time to live stream three days a week to thousands of fans on Twitch. Nick has also been featured on multiple YouTube concert series, including "Jam In the Van" and DittyTV.
